
Academic Record of Ernest Patrick Evans in Civil Engineering at the University of Western Australia 1952-1956

First Year

Chemistry 1B	Distinction
Drawing 1	Pass
Geology 1	Credit Pass
Mathematics 1	Distinction
Physics 1	Distinction
Workshop Practice	Pass

Second Year

Applied Mathematics	Distinction
Drawing & Design II	Distinction
Engineering Mechanics	Distinction
Engineering Physics II	Distinction
Mathematics II	Distinction
Strength of Materials	Distinction
Surveying I	Distinction

Third Year

Drawing & Design III	Credit Pass
Electrical Engineering I	Distinction
Engineering Applied Maths II	Distinction
Hydraulics I	Distinction
Mechanical Engineering I	Distinction
Structural Engineering I	Distinction

Fourth Year

Drawing & Design II	Credit Pass
Hydraulics II	Distinction
Structural Engineering II	Distinction
Surveying II	Distinction

Fifth Year

Drawing & Design V	Distinction
Hydraulics III	Distinction
Structural Engineering III	Distinction

Number of Subjects...26 = Distinctions 21; Credit Passes 3; Passes 2:

Graduated Bachelor of Engineering with First Class Honours, 1957.....

Awards & Scholarships Won...

G.M. Nunn Prize	Surveying I	Second Year
Convocation Prize	Best Student	Third Year
G.M. Nunn Prize	Surveying II	Fourth Year
Industrial Sales & Service Scholarship		Fourth Year
Winzar Telford Prize	Best Theses	Fifth Year

Robert Gledden Research Fellowship 1957

Shell Post Graduate Scholarship 1957

(A grant of £1,500 Sterling for two years Post Graduate Work in Applied Science at a University within the United Kingdom.
